

## **Laboratory Animal Science Associations/Societies that are ICLAS Scientific Members**

American Association for Laboratory Animal Science, (AALAS)  
Australia and New Zealand Laboratory Animal Association (ANZLAS)  
Association for Gnotobiotics (AGS)  
Canadian Association for Laboratory Animal Science, (CALAS/ACSAL)  
Chinese Association for Laboratory Animal Science, (CALAS)  
Die Gesellschaft für Versuchstierkunde (GV SOLAS)  
Japanese Association for Laboratory Animal Science, (JALAS)  
Korean Association for Laboratory Animal Science (KALAS)  
Laboratory Animal Science Association (LASA)  
Nederlandse Vereniging Proefdierkunde, (NVP)  
Scandinavian Laboratory Animal Science Association, (SCAND-LAS)  
Association Française des Sciences et Techniques de l' Animal de Laboratoire, (AFSTAL)  
Chinese Society of Laboratory Animal Sciences, (CSLAS)  
Sociedad Española Para las Ciencias del Animal De Laboratorio (SECAL)  
Finland Laboratory Animal Science, (FinLAS)  
Belgian Council for Laboratory Animal Science, (BCLAS)  
Central American, Caribbean and Mexican Association of Laboratory Animals, (ACCMAL)  
American College of Laboratory Animal Medicine, (ACLAM)  
Swiss Laboratory Animal Science Association (Schweizerische Gesellschaft für Versuchstierkunde (SGV),  
Asociación Argentina para la Ciencia y Tecnología de Animales de Laboratorio, (AACyTAL)  
Asociación Mexicana de la Ciencia de los Animales de Laboratorio, (AMCAL)  
Colégio Brasileiro de Experimentação Animal, (COBEA)  
Thai Association for Laboratory Animal Science, (TALAS)  
Asociación Peruana de Ciencias del Animal de Laboratorio APECAL  
Asociación Venezolana para las Ciencias de Laboratorio AVECAL  
Asociación Uruguaya de Ciencias de Animales de Laboratorio, (AUCAL)  
Israeli Laboratory Animal Forum (ILAF)  
Asociación Chilena de Ciencias del Animal de Laboratorio (ASOCHICAL)  
Japanese Society for Laboratory Animal Resources(JSLAR)  
India Laboratory Animal Science Association (LASA, India)  
Associazione Italiana per le Scienze degli Animali da Laboratorio (AISAL)
